

Woven Alien project by instructor Adriana Ramos

CHILDREN'S SUMMER CAMP FINE ART AND OTHER MYSTERIES

**Weekly Sessions June 17 to August 2, 2019
9am- 1pm, \$110 per week**

Camp participants will explore a variety of art materials through activities such as drawing, painting, and creating collage. Campers will be introduced to performing arts and art mysteries including Optical Illusions. Students will also have the opportunity create a t-shirt, using silk screening techniques. Different activities are offered each week of camp, Monday through Friday. Six sessions of camp are scheduled and space is limited.

This revitalized summer art program is one of many programs the Sacramento Fine Arts Center offers to fulfill its mission of encouraging the creation and presentation of original visual arts, supporting the cultural life of the community, and encouraging artists to fulfill their potential.
