

Color is fun

knowing and seeing color will enhance your artist life.

workshop with Gwen Amos

All Levels - Thursday 10-1pm

5 weeks beginning March 21-April 18

\$80. for full course with \$10 materials fee

This workshop will help sharpen and train your eye to recognize, describe, define, replicate and see color in everyday experiences, to enhance your art.

We will first gain a fundamental understanding of the logic of color structure. The best way to gain this knowledge is to experience it. Mixing as well as defining and organizing your color. We will then apply this knowledge into several projects.
