Judges

Chella

Born in Indiana and a graduate of Ball State University with a BS in Art Education, Chella came to Modesto in September 1956 and over the past 40 years she taught art in Modesto High Schools.

She has exhibited art in more than a dozen solo shows, and in many regional and national competitions.

She has been accepted in 3 Yosemite Renaissance Exhibits, and has been an Artist in Residence at Yosemite.

Her serious consideration in oil painting is recording the Central Valley landscapes and vanishing farmland and crops, done 'en plein aire'.

Gloria Woolley

Art is a major focus in my life. I studied at various Universities and hold a Master of Fine Arts degree.

After teaching thirty four years on the High School level, I retired and am a full time -practicing and exhibiting artist. I occasionally teach adult classes, workshops and private students. I am involved with painting acrylic abstracts, pastels, collage and plein aire painting.

I have visited numerous museums and galleries in Europe and the U.S. I enjoy all styles of art and learn of current art trends through art magazines and books.
